

# BARCELONA VIRTUAL TOUR

Unite Project is a new service that brings together the education, culture and tourism sectors in a sustainable and digitized way, with the knowledge and experience of three entrepreneurs in the tourism and cultural field.

We carry out virtual visits in real time for groups, with an official guide who, connected live, will lead a themed visit through spaces related to the curriculum content and adapted to the expectations and needs of each group.

We deliver experiences of the History, Art, Architecture and Culture IN SITU. Our tours are customized to your needs and interest

It can work as a tool for groups to expand their lessons and take them to another level.

With little technology and good devices, our team of local experienced guides can walk you through the streets of Barcelona, offering interactive LIVE experiences with the groups.

- o Length of the tour: One-hour live online
- o REQUIREMENTS: Computer with screen or tablet with sound equipment and internet connection
- o PARTICIPANTS: Groups (10 - 50 PAX)
- o ONLINE OFFERING: Zoom video conferencing
- o WHO ARE THE GUIDES?: Our collaborators are official guides. They are experienced professionals with great communicative skills, knowledge and enthusiasm. They will be the perfect hosts for your virtual experience.
- o LANGUAGES: English and Spanish
- o PRICE: 125 € \* visit

<b>GOTHIC QUARTER</b>	Itinerary through the most significant places in the historic center of Barcelona. In the itinerary we will pass through the Cathedral, the Plaza Real, the Plaza del Rei, Las Ramblas and other places that will help us to better understand the history of Barcelona.
<b>MODERNISM</b>	This movement of the late nineteenth century and early twentieth century had in Barcelona one of its most prominent stages and architects such as Domènech i Montaner, Puig i Cadafalch or Antoni Gaudí.
<b>A.GAUDÍ</b> <b>La Sagrada Familia</b>	The temple of La Sagrada Familia is considered the masterpiece of the great architect. In this visit we will talk about its construction process, the symbolism and the most important moments throughout its construction.
<b>BARCELONA 1992</b>	The 1992 Summer Olympics were a turning point in the city's history. In this walk we will discover the main scenarios where the games took place and the most memorable moments.
<b>PARKS IN BARCELONA</b>	MONTJUIC: The most beautiful botanical gardens on a mountain. PARK GÜELL: Magic and fantasy "made by Gaudi" with sea views. LABYRINTH PARK: real gardens full of secrets and beauty.
<b>PICASSO &amp; BARCELONA</b>	The great artist from Malaga arrived at the age of 13 in Barcelona and left for Paris at the age of 21. During these almost 8 years many things that happened in Barcelona would mark him forever. He met Picasso when he was just Pablo.
<b>Street Art</b> <b>en BCN</b>	The creativity and talent of Barcelona's artists extends through countless public spaces in which art is exposed to the weather. This rich artistic and cultural legacy is a distinctive feature of the city. In this walk we will see different examples of urban art and some reference works.
